We, the students of Rappahannock High School, would like to dedicate the 1990 year-book to **MRS. SUSAN SETTLE**.

We would like to thank her for

- helping guide us all through Earth Science,
- assisting us as we struggle through Chemistry,
- devoting time and energy to the Science Fair,
- showing enthusiasm with the Science Club,
- being supportive at athletic events, and
- being a friend to all of us.

Mrs. Settle receives nature's inspiration while grading papers.

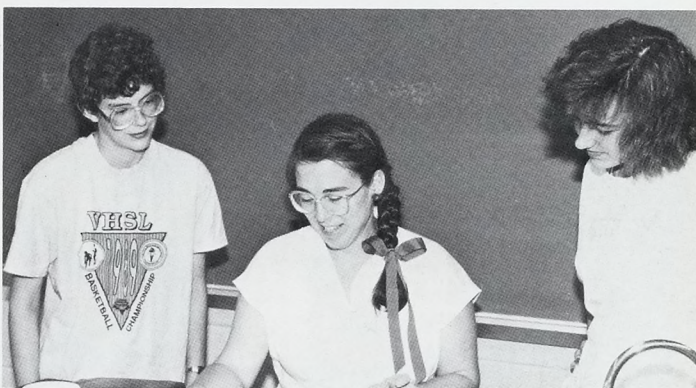

Michelle Kiple and Mrs. Settle discuss the lab project.

Mrs. Settle is always giving assistance during a lab. Here she is pictured with Nicole Clark and Thomas Kiple.

Jerome Nelson and Nicole are comparing chapter notes as Mrs. Settle observes.

A GRADUATION SONNET

The day is drawing near
where we will all soon part.
Full of sadness, yet cheer —
Do I call it the end or a start?

Some will go their separate way
while others will stay close in touch.
Friends and family will celebrate the day
with a dinner, a party, and such.

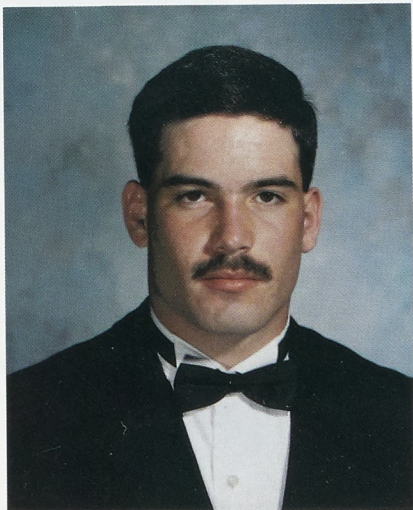

We all said, "We Wish the day would
come
when we could leave this place for
good."
It's almost here but all too soon for
some,
it came a lot sooner than they thought
it would.

To the graduating seniors: You all are
winning
but now you must begin a whole new
beginning.

TALENT AT ITS FINEST

Rappahannock's Music Department enjoyed a successful and busy year. The Raider Band captured a first place award at the Montross Fall Festival Parade again this year and won a second place award in the White Stone parade. They also participated in parades at VA Beach, Richmond, and Warsaw. The Marching Raiders had a great performance in the Homecoming game half-time show entitled "Back to Life." The Jazz Band spent a very cold but enjoyable night at the Contel Christmas Carnival this year. They also played for the annual Northern Neck Co-operative meeting. The Glee Club had select members to participate in Area Choir on May 4 and 5. Three students tried out for District Honors Choir, and Caroline Davis went on to participate in State Honors Choir. The Band, the Jazz Band, and the Glee Club shared in wonderful Christmas and Spring Concerts which were enjoyed by all.

As always we extend a kind "Thank you" to Mr. Anderson and Mr. Dungee for all of their hard work, support, and efforts through the years.

BETA CLUB SPONSORS THEIR FIRST "SPRING FLING"

This year was another exciting year for the RHS Beta Club. Instead of the annual "Teacher Fun-day," the club sponsored a dance, "The Spring Fling." It was a fun evening and also a fundraiser for the club.

In March four members (Betsy Hayes, Beth Motley, Tasha and Tonya Thomas) attended the National Beta Convention in Williamsburg. They competed in Math, Science, English, and Quiz Bowl competitions. Although no one placed in the academic competitions, the weekend was an enjoyable learning experience for all.

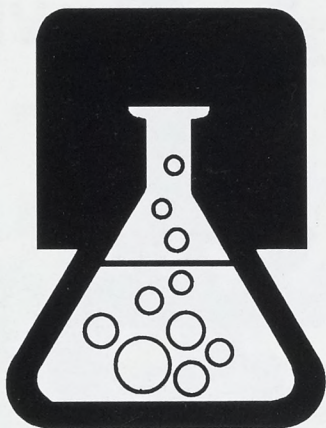

The club would like to thank its sponsor, Mrs. Nancy Jo McKinley, for her help and leadership. The club looks forward to a new and exciting 1991.

The Science Club enjoyed a very interesting year. In one of the club's first meetings, Dr. Gerald Bass, a professor at Virginia Commonwealth University, spoke to members about careers in Science. The Science Fair was again a huge success as five students placed at Regionals (see picture). In March a trip to our nation's capital, Washington, D.C., with the Math Club ended the enjoyable year. TO SUM IT UP . . .

The Math Club had a very exciting year. In November many RHS students performed well in the Regional math contest at RCC. The three math teams placed second and fourth, respectively. Individually John Scott, Mark King, Tasha Thomas, Mike France, and Elizabeth Rice did extremely well, as they placed on the State Level. The Math Club enjoyed a joint trip to Washington, D.C. with the Science Club. Many thanks to all who made the year a huge success, and a special thanks to Mrs. Sebren, the sponsor.

A CANDLE ON THE TABLE

Every year a small cast from Rappahannock supervised by Mrs. Vandeloecht performs a One-Act Play. Tryouts are held at the beginning of each school year as plenty of practice time is needed for a spectacular performance. The One-Act Play is an opportunity for all high school students to get hands-on experience in acting and gain practice in public speaking.

This year's play was entitled "A Candle on the Table." The cast and crew consisted of the following: Tammy Gray (Miss Tolliver), Cathy Smith (Mrs. Garrity), Amy O'Dell (Mrs. Hodges), Missy Newtzie (Mrs. Bramson), Tanika Arthur (House Manager), and Mrs. Vandeloecht (Director). These participants spent many afternoons and activity periods working on the play.

On November 9, 1989, the cast of Rappahannock's One-Act Play competed against Lancaster High School at RCES. RHS took second place to Lancaster High School in the district competition. Both schools, commended for the performances, advanced to the regional competitions in early December. The cast from RHS placed sixth. Congratulations to our One-Act cast on these placements.

SPEAKING ABILITIES EXCEL AT RHS

The forensics team, sponsored by Mrs. Gagnon, has had a very prosperous 1989-1990 year. Many team members placed in the Northern Neck District Competition held at Rappahannock High School on February 14, 1990. These members include Sarah Headley, Chip Riley, Jamie Schools, Kim Lewis, and Betsy Hayes.

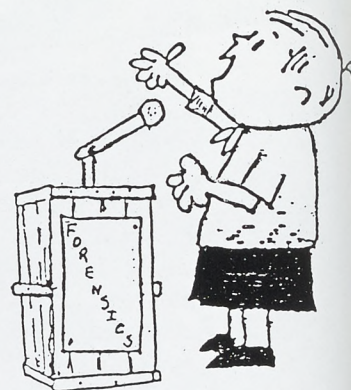

They competed in categories including: extemporaneous speaking, original oratory, humorous Dramatic Interpretation, serious Dramatic Interpretation, poetry reading, prose reading, and spelling. Several of these students went on to compete in the Region A meet on March 10, 1990 and did an exceptional job.

Next year Mrs. Gagnon plans to lead the forensics team in another successful year.

Sickness and a rash of inclement weather caused the cancellation of several tournaments during the 1989-90 debate season. As a consequence, the year was not as successful as we had hoped it would be. After several tournaments in which we failed to place, the team struggled to a second-place finish in the District/Regional Tournament and qualified five debaters for the Virginia State Tournament held at the University of Virginia on April 27 and 28. Tanya Bambarger, a first-year debater, turned in a sterling performance and placed third in the state in the Lincoln-Douglas Division.

With Tanya, third-year veterans Betsy Hayes and Sarah Headley, promising second-year debaters, Gayle Veney, Jovita Kelley, Jamie Schools, Cathy Smith, and Chip Riley anchoring next year's team, a return to Rappahannock's traditional winning ways is confidently expected.

CIRCULAR PLUS

The RHS library has another addition this year. The new computer is called Circular Plus and is used to check out books more quickly and easily. It also helps keep a more updated record of what books are checked out and when they will be available again.

Many books and other valuable sources of information are available in the library. Thanks to the continuing improvements each year, the library has become an asset to our school. Our efficient librarian is Ms. Coates.

SCA ACTIVITIES

The SCA created a new standard for itself this year. Newly state affiliated, the SCA held many activities. Before the opening of school, the SCA operated the Book Store. The selling of these books is an important SCA activity, for it allows parents and students to purchase books with little hassle.

After school opened, the SCA held a Welcome Back Assembly. At this assembly all the teachers received apples, and the new teachers received flowers. For Christmas and Thanksgiving, the SCA gave out food certificates to families in need. The SCA also had two special sharing donations. These donations went to people that the SCA saw as needy and in special circumstances.

The SCA's activities did not stop there. They also entered a float in the Warsaw Fest Parade, held two sock hops, sold flowers for Valentine's Day, and honored our school secretary during Secretaries' Week. Although the SCA had some of their plans cancelled, they still had a good year. New officers for the 1990-1991 school year have been elected and will strive to make the next school year an even better one.

NNRVC: The Key To The Future

The Northern Neck Regional Vocational Center offers career-related programs and a GED preparation course. Students from Lancaster, Northumberland, and Westmoreland Counties and the Town of Colonial Beach join Richmond County students for half-day classes. These classes include Auto Mechanics, Auto Body Repair, Cosmetology, Occupational Foods, Carpentry, Electricity, Data Processing, Nursing Assistant, Masonry, and Welding. In addition, younger students are taking a Trade and Industrial Exploratory class to try techniques in masonry, electricity, auto body, welding, etc.

Many students have the opportunity to interact with the community and gain valuable practical experience. The Nursing Assistance students work at the Nursing Home two days a week. Welding, Auto Body Repair, Auto Mechanics, and Carpentry classes construct projects and make repairs for people in the community. Cosmetology provides services to our local citizens, and Occupational Foods serves banquets.

These vocational programs offer the technical information and practical experience necessary to gain an entry-level job or pursue further education at a college or technical school. Preparing students for a career is the main activity at the Center.

WORTHWHILE EXPERIENCE

The electronic classroom is a fairly new program which enables students to take classes via satellite. The classes can be difficult since there is no teacher present, but they can also be very rewarding.

The classes offered from the program are Latin I, Latin II, AP Calculus, and AP English. Some of the students are able to watch their classes live, but others watch their class delayed.

Latin I and II are conducted by the teacher at Varina High School in Richmond. Latin I students are Matthew Harrison, Amy O'Dell, Ricky Litchfield, Tanika Arthur, and Beth Motley. Latin II students are Jennifer O'Dell, Sarah Headley, Bryan Parr, Kathleen Lowery, Joey Schools, Terence Taylor, Joey Sichel, Missy Newtzie, and Lisa Ambrose.

AP English is televised from Wise County High School. The students enrolled in this class are Elizabeth Rice, Angie Jenkins, Caroline Davis, Tracey Brooks and Ricky Litchfield.

Ms. Coates is the facilitator for these three classes.

The electronic classroom is becoming increasingly popular and more challenging. It is a worthwhile experience.

BRAINY BATTLE

Rappahannock competed in the "Battle of the Brains" for the second time in the 1989 contest. In this competition, which was televised on Channel 23 on Thursday, November 2, Rappahannock team members competed against the "Brains" team from Hermitage High School. The "battle" consisted of three rounds in which students answered questions on various topics. Although Rappahannock was defeated by Hermitage, the team members learned much about televised broadcasting and were able to participate in a worthwhile academic competition. Mark Brown, Stacey Brann, Caroline Davis, Mike France, Angie Jenkins, Ricky Litchfield (Captain), and Mrs. Beth France (sponsor) were proud to represent RHS in the contest.

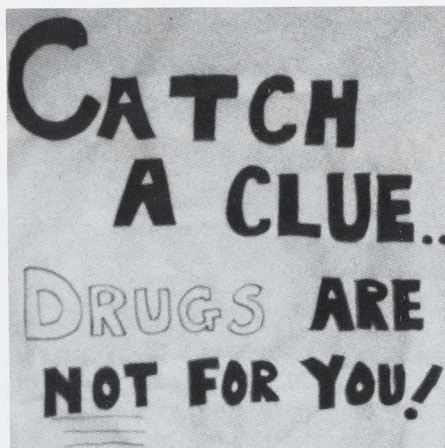

OUR CHOICE . . . DRUG FREE

Rappahannock's Friends Who Care is a large club whose student members have joined together to express their dissatisfaction with drug and alcohol use. During Red Ribbon week, the club's biggest drug awareness effort, red ribbons, and posters were displayed along the halls, in classrooms, and outside the building to show the Raiders' vote against drugs and alcohol. Buttons given to and worn by students and faculty stated "My Choice . . . Drug-Free."

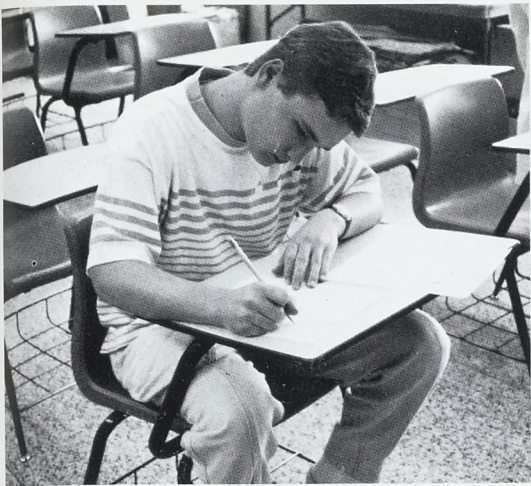

RHS was the host of two Richmond County CADRE members who presented a film entitled **CHOICES**. The film showed choices concerning drugs and alcohol that most teenagers face today.

Friends Who Care anticipates another successful year, and the club hopes to recruit even more members.

Four devoted coaches on the sideline.

The Varsity football team enjoyed another winning season this year. The Raiders attained a 7 win, 4 loss record with a big opening victory over West Point and a six-game winning streak which included exciting, down-to-the-wire victories over Washington and Lee and Middlesex. The Raiders' district season and title depended on the last game against Lancaster. It was a well-played game for both teams, but Lancaster came out on top, winning the title by a 7 point margin. The Raiders' season concluded with a Regional Playoff game against Mathews. Both teams realized their mutual strengths were their running game. Playing on an extremely muddy field, the Raiders slipped up once too often and the Blue Devils emerged victorious. The Raiders will be losing eight experienced seniors but look forward to another winning season with a well-balanced team next year.

— Brian Belfield

The J. V. season started with many hours of practices. The team's hard work started to show in a muddy scrimmage at Colonial Beach which ended in a tie. The team worked hard and blew past early competition without allowing a score. This winning streak changed at W & L where they met tough competition. The last two games against Middlesex and Lancaster came down to the wire, each decided within the last 2 minutes.

The individual scoring went as follows: G. G. Belfield led the team with 36 total points, which included 5 touchdowns; he was closely followed by Gregory Packett who had five touchdowns and scored 34 points. Lynell Veney, Torrey Veney, and Jamie Schools chipped in with two touchdowns each. Jimmy Bruce and Todd Davis had one touchdown during the season.

The starting offense was led by rookie play-caller, Stephen Sanders, who had several good ball-carriers to hand off to in G. G. Belfield at tailback, Gregory Packett at fullback, and Todd Davis at wingback. They ran behind a veteran line composed of four second-year players — Joey Schools, Joey Sichel, Sam Belfield, and Robbie Sanders — and one rookie — Richie Jenkins. The wide receiver was Tray Allison and tight end was Jamie Schools. The team looks forward to another successful season in 1990.

In 1989 the Varsity Raiderettes achieved the dream begun in 1988 to compete in the state playoffs. This goal was reached through much determination and effort by both team members and coaches.

The Raiderettes finished the season with an overall record of 20-4 and an unblemished district record of 12-0. The team reigned as Northern Neck District regular season and tournament champions. In addition, the Raiderettes added the Regional Championship to their list of accomplishments. The thrilling game against Middlesex, which decided the Region A championship will long be remembered. The team then traveled to Roanoke to compete in the state championship. The Raiderettes ended the season when Wilson Memorial defeated them, 53-49.

Natasha Cox became the 1st athlete in Rappahannock's history to score over 2,000 points. She finished her career with a total 2,170 points. She was given All-District, All-Region, and All-State honors. Tasha Thomas was named All-District and received an honorable mention on the All-Region team. Coach Corum was named Northern Neck District Coach of the Year. Departing seniors include Natasha Cox, Elizabeth Rice, Angie Jenkins, Aimee Staton, and Stacey Brann.

The girls' 1989 basketball season will be fondly remembered by all who pass through the halls of R.H.S.

The Girls' J.V. Basketball Team was fortunate to have many players this year. The two sophomore captains were Audrey Jackson and Christy Brooks. The six freshmen were Kim Abercrombie, Crystal Gordon, Theresita Heaggans, Kathleen Lowery, Tania Pierson, and Carole Thrift. The six eighth-grade team members were Becky Ward, Helena Haywood, Amy Jenkins, Danielle Parrish, Michelle Veney, and Cynthia Jingles. Toni Blue, Tammy Gray and Tanika Arthur were the three competent team managers. Tanika was also the score keeper, and Anetra Yerby was the recorder.

The overall J. V. record was 3-9, but every player put out her best effort during the game and at practices. THE BOYS' BASKETBALL SEASON began in December of 1989 with a trip to the Lee-Davis Tip-Off Tournament. RHS obtained a third place trophy in the tournament which featured two triple A schools and one single A school. Jonathon Sydnor was named to the All-Tournament team.

As the season continued the Raiders briefly held the top spot in the Northern Neck District; but due to tough competition, Rappahannock finished fourth in the district. Thirteen of the Raiders' fifteen games were decided by ten points or less. In the Northern Neck District tournament the Raiders came out on top against Northumberland 65-58 but fell short of victory in the semi-final game to Washington and Lee, 89-79. In that final game against Washington and Lee, the four **Senior** starters ended their careers at Rappahannock by scoring in double figures. Jonathon Sydnor was named to the All-District Team and the All-tournament Team.

Next year will be a rebuilding year for the Raiders as eight seniors are graduating. Somehow, though, with Mr. Blackley at the helm the Raiders can always surprise.

WINNER OF SPORTSMANSHIP TROPHY

Like the Varsity team, the Junior Varsity Rappahannock Raiders traveled to Lee-Davis for a Tip-Off tournament the first weekend in December. The team received fourth place, and a definite highlight of the tournament was the sportsmanship trophy obtained by the team.

Other highlights of the season included two come-from-behind victories over Northumberland and three wins over Essex. The team finished 5-7 in the Northern Neck district and 7-13 overall. The season was enjoyed by many loyal fans, and we are lucky that several players will be returning next year under the coaching of Mr. Barker.

CHECK US OUT!!

This year's girls' basketball/football squad, which consisted of Caroline Davis (Captain), Wendy Chenault (Co-Captain), Angela Christopher, Cathy Smith, Angie France, and Kim Langford, was a great success. The '89-'90 squad was the second squad to attend camp at Randolph-Macon College. This squad brought back a variety of outstanding achievement ribbons along with a spirit stick for being one of the most spirited squads.

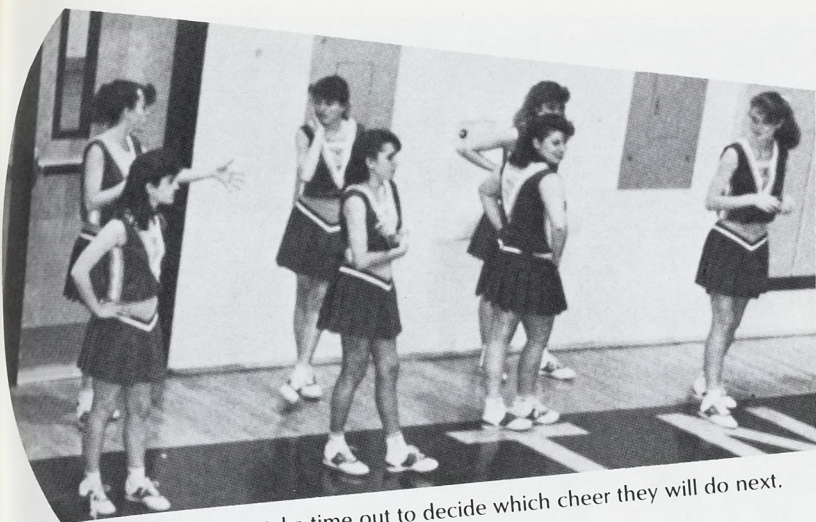

Every year the squad participates in Warsaw Fest. This year the bake sale was even more successful due to the contributions from teachers and supporters. The squad also entered the Fest's civic float contest and won a third place trophy.

During the girls' season the squad supported the basketball team in Roanoke during the State championship. Their enthusiasm was much appreciated. As much of the squad's success is due to its sponsor, the cheerleading squad would like to thank Ms. Hale for all her time, support, and encouragement.

— Wendy Chenault

Miss Hale (Cheerleaders' Sponsor) supervises the bake sale at Warsaw Fest as Angie France makes a sale.

The cheerleaders take time out to decide which cheer they will do next.

Wendy Chenault receives roses for her four years of cheering and for being the only SENIOR on the squad.

Star Seniors Tina Dunaway and Carla Sanders demonstrate their serving skills.

CONTINUES TO IMPROVE!

Rappahannock's volleyball team had another winning season this year with a regular season record of 7-3 and an overall record of 7-4. The team started off this season by splitting each of their first three meets, but then had a winning streak of 4 matches to complete the season. The team traveled to Northumberland High School for the District Tournament. Although confident and enthusiastic about the match, the team was upset by Northumberland in the first round. Tina Dunaway and Connie Elbourn were named 1st team, Christy Slaw 2nd team, and Tina Dunaway was also named All-Tournament.

This year the team loses two valuable Seniors, Tina Dunaway and Carla Sanders. However, there are many experienced and outstanding players still representing RHS, and they are looking for an improved season next year.

District Champs!

The Raiderette softball team finished the 1990 season with an unblemished regular season record of 15-0. They dethroned the Lady Indians as regular season champs by defeating Northumberland three times. In the District Tournament the Raiderettes defeated Lancaster 9-0 and captured the district tournament trophy with another win over Northumberland 1-0. In the Regional Tournament the RHS girls defeated Chincoteague 15-3 before falling to Sussex.

Tina Dunaway, Tasha Thomas, and Connie Elbourn were named to the All-District and All-Region teams. Coach Corum was named Coach of the Year. Next year looks promising as eight starters will be returning.

DISTRICT TOURNAMENT CHAMPIONS FOR THE THIRD YEAR IN A ROW!

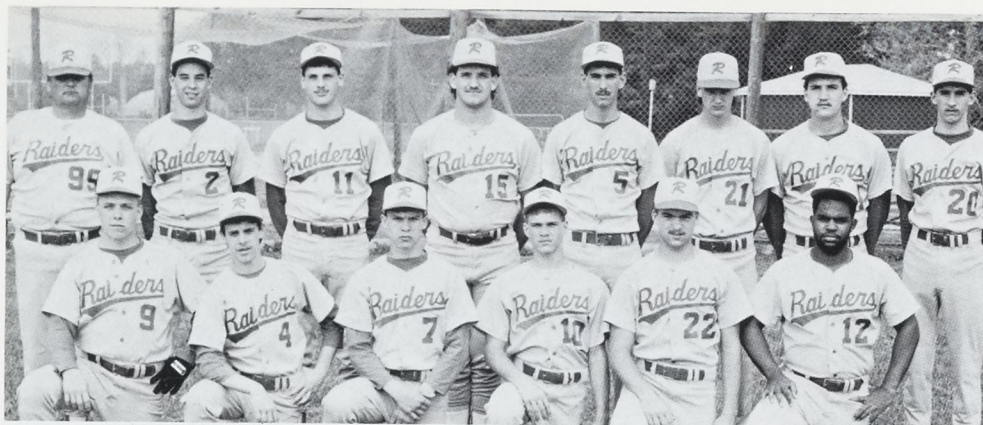

Looks like Tina Dunaway is going to get another hit!

Beth Motley, Stacey Brann, Angie Self, Kelly Sanders, and Kaye Saunders can see that another victory is on the way.

Suspense!

The 1990 Rappahannock Raiders had an up and down season. The team finished 12-6 overall, which was good enough for second place in the district. The Raiders suffered defensive problems and the inability to hit in the clutch. Matt Thrift, Marion Packett, Jason Clark, and Brian Belfield made the All-District Team. Marion and Jason were also named to the All-Regional Team. Brian Belfield was chosen to play in the Virginia High School All-Star Game.

TEAM EFFORT!

The 1990 Junior Varsity Baseball team finished the season with a 9 win, 1 loss record that was good enough for first place in the Northern Neck District. It was a team effort as everyone saw a lot of playing time and contributed to the successful season. Sam Belfield, Jason Morris, and Jamie Schools led the pitching; Carl Blue, Curtis Packett, and Justin Bunch led the hitting. With losing only one Sophomore, the team looks forward to a bright future for Rappahannock baseball.

Steve Sanders is hoping they won't throw him a curve ball.

Guy Wilkins balances himself to throw the shot.

Raider Track

This year's track team lacked quantity, but it had a great deal of quality and character. It was not only the smallest team in the district, but also the youngest with four freshmen, four sophomores, one junior, and two seniors. Six district participants qualified to advance to Regionals: Jeffry Sydnor, Clifton Blue, Rex Teese, Todd Davis, Corey Burrell, and Jonathan Sydnor. Three young men from this team went to the state competition in Salem, Virginia: Todd Davis in the 1600/3200, Corey Burrell with the shot, and Jonathan Sydnor in the 800/400. These young men faced some stiff competition, but they withstood the pressure.

Other team members who competed in RHS track meets were Guy Wilkins, Joey Schools, Thomas Elmore, Brian Balderson, and Andre Smith. Many goals were met this year; Coach Packett and Coach Parrish look for great things from these young men in the future.

OUTSTANDING PERFORMANCES

The 1990 Raiderettes were the district runner-ups. They set high goals, most of which were attained. Hollie Brooks, as a junior, had a strong showing in the 800 meters on the district, regional, and state levels. Senior performances by Aimee Staton and Elizabeth Rice were outstanding. Aimee participated in the one and two mile. Elizabeth Rice dominated the district and region in the 400 meters and discus. She was the state champion in the 800 meters for the third consecutive year. Freshmen with promising futures include Jody Duncan, LeVernia Veney, and Nicole Canada. A **special thanks** to Coach Pierson for her help!

Poem To The Seniors

On winged feet the four years pass
And now we honor our Senior class.
Beyond these walls, this town, this state
A whole new world now lies in wait.
You've much to learn, we're often told
Wisdom to gain before you're old
But tonight-before you turn and go
Your separate ways, as well we know,
Enjoy this place, these hours, this school
In memory they'll return to you.

KIDS WHO "USE" WILL ALSO "LOSE"

- Help keep teenagers off alcohol and other drugs.
- Tell them about Virginia's new "use and lose" law.
- Now, youths will lose their driver's license—or their ability to get one—if they are found purchasing or possessing alcohol, or driving under the influence of alcohol or other drugs.
- Support the "use and lose" law:
Tell teenagers about how it can affect them.
Support enforcement of the law.

*Thanks,
Mr. Drewry*

We, the graduating class of 1990, entered into the halls of Rappahannock High School in September of 1986 scared freshmen. Surprisingly, we were not the only ones uncertain about the days ahead. George W. Drewry had been a teacher and a coach, but to us he was the new "authority" figure. Four long, hard years have passed by, and this Senior Class has grown through its creativity, its talent, and, most of all, its enthusiasm. Mr. Drewry has been present through it all: the good and bad times, the times we would like to forget, and the times we wish could have lasted forever.

Mr. Drewry, we suppose the words "thank you" are the most appropriate. We might not have always been pleased with your decisions, but as we look towards the future as maturing adults, we realize that you were a stepping stone in each of our lives at RHS. Thank you for being the person you are, and most of all, for being a friend.

— Stacey L. Brann
